Disputed invoices

When disputes arise over invoices, the key steps are establishing at an early stage whether there is a genuine dispute, or whether the other party is just trying not to pay, or to force payment when it is not justified. We always keep commercial realities in mind and look to resolve the dispute in the most cost effective manner.

Firstly, we would take a look at the terms of business which may resolve things. Good Terms of Business are important to have in place, and if your business is missing them, we can help draft them for you. We can then explore arbitration or mediation, or issue court proceedings and apply for summary judgment to try and avoid an expensive trial.

Whatever stage you are at with your dispute, if you need any help or advice, please get in touch by calling us on 01926 852188.
